Correct Citation for Reference Entry

The reference entry correct citation styles for this document are illustrated below. Students should defer to the style preferences of their individual course instructors to determine whether the course instructor has preferences that are more specific than those shown below:

American Psychological Association

Doverspike, W. F. (2014). Psychopathology class resource list: Bibliography. Retrieved from <http://drwilliamdoverspike.com/>

Chicago Manual of Style / Kate Turabian

Doverspike, William, "Psychopathology Class Resource List: Bibliography," July 04, 2018. Retrieved from <http://drwilliamdoverspike.com/>

Note: According to the Chicago Manual of Style, blog posts are typically not included in bibliographies, but can be cited in the running text and/or notes. However, if a blog is cited frequently, you may include it in the bibliography.

Modern Language Association

Doverspike, William F. "Psychopathology Class Resource List: Bibliography." 04 Jul. 2018 [Date accessed]

Note: MLA guidelines assume that readers can track down most online sources by entering the author, title, or other identifying information in a search engine or a database. Consequently, MLA does not require a URL in citations for online sources such as websites. However, some instructors still ask for it, so check with your instructor to determine his or her preference.
