Doverspike, W. F. (2020). *Missing reference information*. <http://drwilliamdoverspike.com/>

When information needed to create a reference list entry is missing or unknown, there are various strategies to adapt the reference. The following table shows the basic structure of an APA Style reference to a published work, adapted for missing information, along with the corresponding in-text citations. Refer to the reference examples and Chapters 9 and 10 of the *Publication Manual* for specific details for the type of work being cited. Table 9.1 (below) can be found in APA (2020, p. 284). This information can also be found on the APA Style website (<https://apastyle.apa.org/style-grammar-guidelines/references/missing-information>).
