My Will

Resentment

*is remembering I didn't get my will
in the past.*

Anger

*is knowing I don't get my will
in the present.*

Fear

*is believing I might not get my will
in the future.*

God's Will

Experience

*is remembering God's will was done
in the past.*

Strength

*is knowing God's will is being done
in the present.*

Hope

*is believing God's will shall be done
in the future.*
